| RECEIVED, subject to the classifications and lawfully filed tariff in effect on the date of the issue of this Bill of Lading, the property described above in apparent good order, except as noted (contents and conditions of contents of packages unknown), marked consigned and destined as indicated above which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry from its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to its destination. It is mutually agreed as to each carrier of all or any of the said property, over all or any portion of said route to destination and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to the bill of lading terms and conditions in the governing classification on the date of shipment. Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns. |     |  |  |   |      |  |      |         |

| * Mark "X" or "PQ" if appropriate to designate Hazardous Materials as defined in the Department of Transport Regulations governing the transportation of hazardous materials. The use of this column is an optional method for identifying hazardous materials on bills of lading per Section 172.201(a)(iii) of Title 49 Code of Federal Regulations. Also, when shipping hazardous materials the shipper's certification statement prescribed in Section 172.204(a) of the Federal Regulations must be indicated on the bill of lading, unless a specific exemption from this requirement is provided in the Regulations for a particular material.  |     |  |  |   |      |  |      |         |
